~~£20~~ £16

Other workshop services are charged at £28/hour until June 1st, then £35/hour

When we service a bike, everything is checked, analysed and replaced if necessary*.

The cause of any problems is investigated and resolved if possible and the end result is a bike we would be happy to ride ourselves. Tell us about anything you think may be out of the ordinary and we will look into it for you.

*not on a tune-upservice, and with your consent
